Welcome to my world of pastry creations, where every bite is a testament to dedication and love. I specialize in an array of pastries—layered cakes, cake pops, cheesecakes, tortes, chocolates, cupcakes, mochi, and more—each crafted with a ton of love. My expertise extends to the delicate art of French boulangerie, bringing the finesse of croissants and baguettes to life. This portfolio showcases my journey, skills, and the heart I pour into each creation—let's create something unforgettable together!

My love for pastry began in the warm kitchen of my grandmother, a skilled confectioner who taught me the magic of baking from childhood. Helping her knead dough, decorate cakes, and savor the sweet aromas ignited a lifelong passion that I truly cherished. As I grew, I sought to expand my craft, enrolling in diverse courses—Russian classics, vegan delights, sliced pastries, and an array of confectionery styles—to master the art. I organized several workshops, took on custom orders, and found joy in creating for others, yet my hunger for growth led me further. Inspired to explore bread-making, I completed a prestigious course at Le Cordon Bleu, where I honed my skills. Today, I craft original recipes, adapt them to clients' needs, blending tradition with innovation in every bite.

Masterpieces of Layered Cream Cakes

My heart beats for the artistry of layered cream cakes, where flavors and textures dance in perfect harmony. I specialize in crafting traditional and vegan multi-layered tortes, tailored to diverse themes and tastes. My absolute favorite is the Chocolate Medovik. Whether it's a towering masterpiece or an intimate dessert, I pour my soul into every layer, ensuring each slice tells a story of craftsmanship and care.

Versatility in Every Sweet Creation

For me, the joy of pastry knows no bounds—whether it's the silky richness of chocolate or the fluffy lightness of a donut. I embrace every form, from elegant desserts in cups to perfectly sliced pastries. My ability to adjust recipes to suit any size, occasion, or dietary preference sets me apart.

Crafting Perfection Across All Scales

Continuing my passion, I thrive on the challenge of transforming any sweet idea into reality. Small bite-sized treats for a cocktail party or large showstoppers for a gala—I approach them all with the same dedication.

Cheesecakes – A Seasonal Symphony

Cheesecakes are my playground for innovation, where I adapt recipes not just to individual tastes but to the rhythm of the seasons. Each creation is a celebration of freshness—think of a pumpkin cheesecake with fig accents for a cozy autumn day, its warm spices mingling with creamy richness. In summer, I craft cheesecake cake pops shaped like ice cream, blending cool vanilla with vibrant fruit swirls for a playful treat. My ability to tailor textures and flavors keeps these desserts a standout on any menu.

The Art of Bread

My journey extends to the rustic charm of bread and pastries, where I master the craft of croissants, danishes, and more with a baker's touch. This dedication to the art of baking complements my pastry skills, offering a complete range of delights that bring warmth and comfort to every table.
